

Super Series FAQs

Entry Qualifications / Selection Policy

The Competition Rules and Selection Policies can be found on the Super Series website under the Athletes tab. Simply select your category and click on the appropriate link.

Can I compete if I am based outside the UK?

UK citizen

All British athletes hoping to compete in the British Super Series require a British Triathlon membership.

International

International athletes can enter events using a membership number from their relevant national governing body, as long as it provides them with insurance for racing abroad.

How do I register for a bike assessment?

To register for a bike assessment, to attend the Performance Assessment, please contact your Regional Academy Lead. Click [here](#) to find the necessary details.

Where can I find the Regulations, Restrictions and Technical Guidance?

These can be found under the [Resources](#) tab on the Super Series website. Simply click on the desired document under your respective category.

Which age category am I?

Youth A – born 2007-2008,

Youth B – born 2006,

Junior – born 2004-2005,

Senior – born 2003 and before.

How do I enter the Super Series?

All athletes with aspirations to race in the British Triathlon Youth & Junior Super Series are required to attend the Performance Assessment weekend, with the results from the weekend setting the order of entry for the initial races. The assessments include a swim time-trial on the Saturday at the University of Nottingham followed by a combined, timed bike-run on the Sunday at Prestwold Hall Circuit.

Some senior athletes will also need to attend the Performance Assessments in order to complete for starts in Tier 1 races. More information about which athletes will need to attend will be released in January.

How do I volunteer to help out at a Super Series event?

You can volunteer to help out at Super Series events via the [Volunteers](#) page on the British Triathlon website. Simply select the region you wish to volunteer within and pick an event. You can easily search for Super Series specific events using the volunteer opportunity search tool on the right-hand side.

I am a Paratri athlete without a classification, can I still enter?

Yes, you can still enter. Although, you cannot receive Super Series points or rankings. You must have a classification in order to receive points and rankings.

How do I get a classification?

For all information regarding classifications, including how to apply for classifications, please see the British Triathlon website or simply click [here](#).

I am a trans athlete, which category should I enter/ what is the open category?

Female = Female sex. I.e., those who are born female.

Open = Everyone else. I.e., men and those who are born male, including transgender and nonbinary people.

For more detail or information, please see our [Transgender Policy](#).
