

Junior World Trial

**Mallory Park Racing Circuit
Church Rd, Kirkby Mallory, LE9 7QE**

Sunday 28th May, 2023

General Information

Welcome

The British Triathlon Federation and ATW would like to extend a warm welcome to all competitors and spectators to the Junior World Trial on Sunday 28th May.

Venue

Mallory Park Racing Circuit, Church Rd, Kirkby Mallory, LE9 7QE
W3W:///releasing.grove.occupy

Car Parking

There is plenty of parking at the venue.
A parking charge of £3 is payable on departure. Please bring cash if possible.

Facilities

Multiple toilet blocks and showers are available on site.
Camping is available on site the night before.
Snacks and hot drinks will be being sold on site.

General Information

Results

Timing is provided by EventChipTiming. Provisional results will be available on <http://results.eventchiptiming.com/> as soon as the race is completed.

Home Nation Association Membership Cards

Please ensure that your British Triathlon membership is up to date and valid on race day. If you fail to bring your membership card you will be required to pay £5.00 day membership fee. You will however still be eligible for event prizes.

Withdrawing during the race

If at any point during the race you feel the need to stop and pull out of the race please do so. It is mandatory that if you withdraw from the race then you need to find the nearest marshal who will help you get back to the event headquarters. Please inform the timing team of your number and hand in your timing chip. Marshals can also call for medical support should it be needed.

Medical and Water Safety

Cover is being provided by Medical and Water Safety Limited, long-term partners with ATW. A mobile facility as well as a medical tent will be present at the event.

Photos

Official event photos will be loaded on to the [ATW photo gallery](#). If you wish for any photos to be removed, please email events@activetrainingworld.co.uk

Training

The venue is open for training on a Wednesday evening 6-8pm, for anyone wishing to familiarise themselves with the course. Bookings can be made [online](#).

Sustainability and waste

We would appreciate it if all competitors made every effort to keep the venue, and the surrounding area as clean as possible, there will be ample bins provided.

Partners

ZONE3 – official swim partner of ATW

Site Rules

ATW and British Triathlon would like to thank Mallory Park for their ongoing support of British Triathlon events

Please take note of these important rules to ensure our ongoing access to this premium venue:

1. No dogs are allowed outside the car park area
2. Official event vehicles only allowed on the track and paddock area
3. The gravel traps must not be disturbed. These are prepared in a specialist way to slow down fast-moving vehicles. Walking on the gravel detracts from their effectiveness and requires them to be reset at significant cost.

Age-group race

This event will be preceded by a non-drafting [age-group race](#) on the same course over the SuperSprint and Sprint distance.

Registration & Race Packs

Upon arrival, please access the event HQ via the bridge over the track. Be aware that there may be a race taking place on the circuit.

Registration will be located at the 'signing on' office. Competitor information will also be available here together with course maps.

Registration opening times can be found on the following page.

A Mandatory Bike Check will be carried out by Chief Technical Official to ensure your bike conforms to rules associated with Draft Legal racing.

If your wheels are on the UCI non-standard approved list, please do know the page number or bring a screenshot to speed up queuing at wheel checks.

Race Pack:

Race Packs will include the following items:

- Body number decals (ensure you follow the instructions clearly)
- Swim hat
- Stickers for your helmet and bike
- Timing chip and strap to be worn on the left ankle (do not cover with wetsuit)

Please return your timing chip to the marshals in the finish area at the end of your race, or if you drop out for any reason to a member of the event crew. Competitors who fail to return their timing chip will be charged £20.

Event Schedule

Female	
13:30	Race Registration Opens
13:30	Transition Opens
14:30	Race Registration Closes
14:40	Bike Familiarisation
15:00	Race Briefing
15:05	Transition Closes
15:10	Swim Warm Up
15:20	Prestart call up
15:30	Race Start
16:40	<i>Last finisher</i>

Open	
13:30	Race Registration Opens
14:40	Bike Familiarisation
15:00	Race Briefing
15:00	Transition Opens
15:30	Race Registration Closes
16:15	Transition Closes
16:25	Swim Warm Up
16:35	Prestart call up
16:45	Race Start
17:55	<i>Last finisher</i>

Bike Familiarisation

There will be a guided Bike Familiarisation at 14:40

Transition

Transition check-in will take place on race day only. Be aware that this will be a Live transition and there may be other races taking place while you are racking/unracking. Do not wear earbuds/headphones while in transition, and listen out for marshal/official instructions

There will be no marking permitted in transition, this includes the use of talc on the floor.

There will be 10 minute windows provided to un-rack bikes and clear your belongings from Transition. This opportunity will arise once all athletes have exited the water and Transition area of a particular Wave. The Entry / Exit point will be clearly signposted for you. Do not cross any timing mats or enter Transition Area through any other location.

There will be individual allocated spaces in Transition. Please allow sufficient space for your fellow athletes. No Bags/Boxes will be allowed to stay in the transition. Please wear and fasten your helmet before entering transition. You will not be allowed in with your bike unless this is in place. Additionally, you must have your decals on to enter transition.

After the race, you will need your decal to re-enter the transition area. Once you have found your racking space and bike, tidy your area and leave the transition as soon as you can. We would appreciate the Transition area being cleared as quickly as possible once permissions has been given by the Race Organiser.

Transition Area Opening Times:

Female: 13:30 – 15:05

Open: 15:00 – 16:15

Warm-up Area

There will be an area identified as athletes & coaches only for any pre-race preparation/warm up.

A swim warm-up time has been allocated 20 mins prior to the race start. All athletes must exit the water and be ready at the pre-start area 10 mins before the start time.

Course Maps – HQ Layout

Access to the event HQ from the car park is via the bridge only.

Registration will be in the signing on room under the suite.

Please only cross the bike course using the identified crossing point.

Take care when crossing the run course.

Course Maps – Swim

750m Swim Lap

You will be called in to the water 10 mins prior to the swim start level with the green buoy. The swim will be a deep-water start, heading the full length of the lake, passing to the left of two red buoys that are obstructing a fallen tree.

Turning anti-clockwise around three large orange buoys, you'll then cross the lake diagonally to turn clockwise around a final large orange buoy and head to the swim exit that will be marked with an inflatable arch.

You only need to turn around the large orange buoys. All other buoys are for sighting purposes only.

After exiting the water, you'll run around the transition to enter at the top end.

Course Maps – Bike

19.2km bike (6 x 3.2km bike laps)

Exiting transition you'll mount and head to the end of the pit lane where you will perform the first 180-degree turn on this technical and challenging bike lap.

After cycling the full length of the pit lane you will perform a double switchback and then head up to the top of the hill. After turning round Shaw's hairpin and safely negotiating the chicane, you'll charge down the Devil's Elbow and through the fastest part of the course, under the bridge and around the lake. A shimmy through the high-speed chicane and along the back straight where spectators will undoubtedly gather to cheer their athletes. Another 180-degree turn awaits before rounding Edwin's and entering back into the paddock area and transition.

After completing 6-laps you'll dismount and head back into transition.

Lapped athletes will be removed from the race by officials.

It is recommended that athletes take advantage of the bike familiarisation lap at 14:40

Course Maps – Run

5km run (4 x 1.25km laps)

Exiting transition, you'll turn right and join the run course, heading straight towards the finish, but just before reaching it, you'll turn left to start the first of four flat laps around the lake.

See you on race day!

If you have any questions, please email the team at
SuperSeries@britishtriathlon.org
