Course Maps – 400m or 750m Swim

Swim Information

This will be a beach start. Athletes will be ranked and called forward to select a start position according to the Super Series roll down list.

The Youth swim course is 400m anti-clockwise loop. The Junior and Senior swim course is 750m, consisting of a 600m anticlockwise loop into an Aussie Exit to a 150m clockwise loop.

Water safety cover will be provided – if you get into difficulties, turn onto your back and raise one arm in the air, and help will be with you quickly.

World Triathlon rules are adhered to for wetsuit use.

If unfamiliar with beach starts we would strongly recommend making use of the swim warm up. Water and air temperatures cannot be guaranteed in May, any athletes doing the swim warm up are strongly advised to have warm clothing ready to wear between warm up and race start.

Any athletes who false start will receive a 10 second penalty in T1

Given its early season the water and air temperature can be relatively cold please see our Racing in the Cold and Wet guide well ahead of the race if this looks likely.

Water safety - There will be a large water safety team to support competitors. Should you require any assistance or want to pull out of the race during the swim please roll onto your back and raise your arm in the air, a kayak will come to assist you.

The bike route is on the Llanelli Coastal road and will be closed for the event.

It is your responsibility to be fully aware of the cycle course before the race.

Upon completing the bike stage, on your return to transition you must dismount your bike before the "Dismount" line, which again will be marshalled by technical officials.

The race is draft legal, lapped athletes will be pulled out of the race with immediate effect as per WT rules. Lapping out in the Super Series does not apply to Junior Senior Female.

Helmets are mandatory and must be worn fastened up at all times during the bike stage. Helmets should be put on in transition before you touch your bike and only taken off again once your bike has been racked in transition.

Please note athletes are responsible for counting their own laps and ensuring they enter the transition area at the correct time.

Rules and Regulations

The British Triathlon Super Series operates within and utilises the [World Triathlon Competition Rules](#). For specific rules and regulations, including uniform, equipment, and wheel regulations, please see the relevant Technical Guidance document under the [Resources](#) tab of the Super Series Website.

Gear Restrictions

Gear restrictions are now an established part of youth and children's draft legal racing. All youth races this season will be gear restricted – this includes when Youth A and Youth B athletes are racing each other. For the full rationale on why we restrict gears and how this works at events please refer to the [British Triathlon gear restrictions booklet](#).

Bike Familiarisation

Bike familiarisations will not take place at any Super Series events unless clearly stated as occurring within the specific Event Guide.

Marking Transition

As per the British Triathlon Competition Rule 7.1q: Marking positions in the Transition Area is forbidden. Marks and objects (such as balloons, talcum powder, chalk, towels) used for marking purposes are not permitted and will be removed and the competitors will not be notified. Wetsuits or other items of clothing hung over racking is classed as marking.

Wheel Regulations

Any wheels used at a British Triathlon Super Series race must be defined as standard (described in the relevant Technical Guidance documents for each category found on the [Resources](#) page) or listed on the [UCI Non-Standard Approved Wheel List](#).

We ask that you please either keep the approval decal, memorise the page number that your wheels appear on within the wheel list, or have a screenshot of your wheels on the wheel list. This allows Officials managing wheel checks to find your wheels more easily on the list and speed up wheel checks.

Uniform within the Field of Play

As per the World Triathlon Competition Rule 2.8ix: The uniform must be worn over both shoulders while the athlete is on the Field of Play. Nudity of any kind will not be permitted. The Super Series features minors racing and spectating and so this ruling must be respected by all.

The Field of Play is defined as "The course on which the competition will take place, the start and pre start areas, the finish and post finish areas, the aid stations, the wheel stops, the penalty boxes, the ceremony area and the briefing area. Usually, the field of play is separated from the public by a clear boundary".

Approved Running Shoe Guidance

Any running shoe used at a British Triathlon Super Series race must be listed on the World Athletics Approved Shoe List. Shoes listed in blue on the Approved list are 'Development' shoes and will not be accepted as World Athletics only has only approved their use in specific circumstances. If an athlete can provide proof from World Triathlon or World Athletics that they have been approved to wear the shoe during a specific period, they will be allowed to wear it. If a shoe was manufactured prior to 2016 and the manufacturer is listed in the Approved Shoe List, the shoe will be automatically approved. Any shoe manufactured after 2016, that isn't on the Approved Shoe List will NOT be approved. Bespoke shoes are not allowed under any circumstances. Please note, this is different to customised.

Any shoe that is suspected to be in breach of the above, or is protested, will be sent to British Triathlon for further analysis to assure they conform with the World Athletics guidelines. <https://www.worldathletics.org/about-iaaf/documents/technical-information> (Manuals and Guidelines > World Athletics Approved Shoe List) Please note that not all shoes are present on the list. In almost all cases that the shoes have been purchased from a manufacturer or sports store and are readily available to all, the shoe is legal.
